

sgapiJumpToPage(%%pageID)

Last Modified on 08/06/2014 1:22 pm EDT

This function jumps the respondent to the specified page ID.

Example

In this example, respondents who answer question ID 2 "No" are jumped to page ID 4.

```
%%children = sgapiGetValue(2);  
  
if (%%children == "No")  
{  
    sgapiJumpToPage(4);  
}
```
